

If people online are mean or worry me:

I should:

- Tell someone I trust straight away.
- Report anything that worries or upsets you.
- Save messages for evidence.
- Try to stay calm and don't panic.
- Try not to get upset or angry.

I should NOT:

- Keep things to myself.
- Be nasty or unkind back.
- Delete messages.
- Get angry or upset.

What our school does to respond to E-safety issues:

- We listen to the children involved and offer support
- We take e-safety seriously.
- Educate the children about being safe online
- Contact parents and carers
- We investigate anything that is reported to us.

Our Internet Safety Rules:

These rules help us to stay safe online:

- Be kind to others online;
- Keep our personal information private;
- Always ask if you are unsure or tell an adult if you feel unsafe;
- Do not talk to strangers online;
- Only use the internet when adults are supervising you;
- Keep our passwords secret.

THE WILLOWS PRIMARY SCHOOL

## Child Friendly E-Safety Policy

This policy was developed by The Willows Primary School Council.

# What is E-safety?

E-safety stands for **electronic safety**.

E-safety is making sure we are safe on the internet and feel protected when using **technology**.

THE INTERNET IS GREAT BECAUSE...

- You can play games and have fun.
- You can talk to friends and family.
- You can learn new things.
- The internet can help us with school work.

Online Dangers we can experience

Include:-

- Cyberbullying – Some people can be mean to us and can do and say unkind things to us.
- Stranger Danger - Some people online can lie and pretend to be our friends.
- Online Material - Some things online are not suitable for children.
- Identity Theft – Some people will ask for personal information about ourselves.

When we are online we should:

Is it true?

Is it helpful?

Is it illegal?

Is it necessary?

Is it kind?
