New football team badge

We are pleased to unveil a new school badge for the school football team. The badge was created by Sophia Mason in Year 6 and will be printed on the football kits and any other footballing activities.

Football kits! Football Kits! Football Kits!

Thanks to local support and sponsorship we have been able to purchase two new football kits. Year 3 and 4 will be wearing a blue football kit and thanks to LTB Furniture the girls will be wearing a purple kit. We have also ordered a new kit for years 5 and 6.

Results

A fantastic start to the season!

The Willows football team have made a positive start to the new season. After finishing last year on a high, winning the final 3 matches and scoring 22 goals in the process, the team have continued their good run of form. In the league we have moved into second place (winning 2 and losing 1) with Sophia Mason and Josh Ellis both in excellent scoring form.

The fantastic run continued when the team competed in a football tournament. After comfortably competing throughout the competition, we narrowly lost 1-0 in the final.

A fantastic and positive start from everyone.

This girl can play!

Girls can play football too and this year has seen a rise in the number of girls playing football, not only at break time, but attending football club too.

Tuesday 10th November saw the girls play their first game of the season and ran out 7-1 winners. A tremendous performance from all the girls.

Congratulations to the Y3/4 football team!

Tuesday 20th October was time for the footballers in year 3 and 4 to show off their skills and they didn't disappoint. Held at Crescent Academy, the boys competed in a 7 a side tournament. Not only did they compete, but they won the tournament. An excellent team performance, both on and off the pitch.
