Dear Pupils

My name is Mrs Weston and I am one of the people on the school's Governing Body. I was wondering what you know about the governors and the job that we do?

Just like the School Council and Eco Council, we are an elected group of people who make decisions and put suggestions to Mrs Thursfield. The type of decisions and suggestions we make are just about different things.

For example we:

- Help to set the vision and aims of the school to make sure we all know what we are working towards and what is expected of everyone – have you noticed this posted on the doors around school?
- Challenge Mrs Thursfield about the progress you are all making to be sure you have the best education possible
- Check that the money school receives from the Government, called a budget, is wisely spent
- Make sure you are all safe and happy at school so that you can concentrate on learning

If you would like to know more about the Governing Body why not write to me as I love receiving letters! Or I could visit you to talk about my job.

I look forward to seeing you around school soon.

Mrs Weston
