Our School E-Safety Rules

Dear Parents,

All pupils use computer facilities, including Internet access, as an essential part of learning, as required by the National Curriculum. Both pupils and their parents/guardians are asked to sign to show that the e-safety rules have been understood and agreed.

If you have any problems or concerns, please contact your class teacher.

Thank you for your support.

Parent's Consent for Internet Access

I have read and understood the school E-safety rules and give permission for my child to access the Internet. I understand that the school will take all reasonable precautions to ensure that pupils cannot access inappropriate materials but appreciate that this is a difficult task.

I understand that the school cannot be held responsible for the content of materials accessed through the Internet. I agree that the school is not liable for any damages arising from the use of the Internet facilities.
